

Concept & Philosophy

The NEW MBA (International program) fosters the learning process through emphasis on active learning, small class sizes, diverse students, collaborative learning environment, and cutting-edge and technology-based knowledge with leading professors and experienced ASEAN business experts in digital era.

The NEW MBA (international program) aims to encourage students to become effective, motivated and independent learners. Another essential objective of the program is to develop students to realize their full potential and become life-long learners.

STUDY PLAN

Three study tracks are offered in the MBA (International Program) so students can choose the track that best suits their career goals:

	A1 Track	A2 Track	B Track
Core courses		21 credits	21 credits
